

BEEBE HEALTHCARE Patient Care Services

424 Savannah Road • Lewes, DE 19958
beebehealthcare.org

Lewes, Delaware • beebehealthcare.org

IN THIS GUIDE you will find a list of the services and locations offered by Beebe Healthcare. Many outpatient services may be scheduled through Pre-Arrival Services. To schedule or reschedule an appointment call (302) 645-FAST (3278) or go to www.beebehealthcare.org to request an appointment online.

PRE-ARRIVAL SERVICES

Pre-Arrival Services is a centralized location that provides physicians' offices and patients with a simplified and coordinated method to schedule outpatient services. Patients are scheduled and pre-registered for all services before arriving at the service location on the day of their appointment.

The following services can be scheduled through Pre-Arrival Services Monday–Friday, 8:00 a.m.–8:00 p.m. and Saturday, 9:00 a.m.–2:00 p.m.:

WOUND CARE SERVICES

Beebe's friendly and compassionate Wound Care Services team has extensive training and expertise in the latest and most effective wound-healing technologies. Beebe's interdisciplinary, comprehensive approach to wound care involves treating not only the wound, but the whole person. Through patient education and close collaboration with each patient's primary care physician, we're committed to ensuring the wounds we helped to heal stay healed.

The Beebe Wound Services Team treats all types of chronic wounds including:

- Traumatic Wounds
- Venous Stasis Ulcers
- Pressure Ulcers
- Minor Burns
- Non-healing Surgical Wounds
- Wounds caused by Poor Circulation
- Diabetic Foot Ulcers

Phone (302) 947-2500

Monday–Thursday, 8:00 a.m. to 4:30 p.m.

WOMEN'S HEALTH SERVICES

Maternity suites are specifically designed for labor, delivery, recovery, and post-partum care. Inside each family-centered birthing suite, the latest technology is balanced against the comforts of home.

YOUR BODY, YOUR LIFE

Beebe Healthcare reminds you to eat healthy foods, get enough sleep, keep moving, and have some fun. These important ingredients, plus remembering to get your regular health screenings, will help you maintain your best health.

HEALTH SCREENINGS

POPULATION HEALTH DEPARTMENT

Participates in community health fairs and provides community health screenings: glucose, cholesterol, blood pressure, body mass index, bone density, and flu shots. Events are open to the public and posted on the Beebe Healthcare website: www.beebehealthcare.org.

BREAST HEALTH CLINIC

All women 18 years and older should have a clinical breast exam, and all women 40 years and older should have a yearly mammogram.

Tunnell Cancer Center offers free mammograms each month as part of its Sharing our Story, Saving our Sisters (SOS²) program. They are by appointment only and are offered to eligible women at Tunnell Cancer Center in the Beebe Health Campus on John J. Williams Highway in Rehoboth Beach. The appointments include the free mammogram, a clinical breast exam, and breast education. This program is funded with a grant from the Susan G. Komen for the Cure, Philadelphia. Appointments can be made by calling (302) 645-3169.

For more information, contact the Cancer Screening Nurse Navigator at (302) 645-3169.

PROSTATE SCREENINGS

One in six men will be diagnosed with prostate cancer. Early detection may be the key to saving men's lives. To learn more about prostate cancer, go to KnowYourStats.org/resources or UrologyHealth.org.

Free prostate screenings are offered periodically to men who qualify. For more information or to schedule a screening, please contact the Cancer Screening Nurse Navigator at (302) 645-3169.

FREE GLUCOSE SCREENINGS

Free, finger-stick glucose screenings. No appointments are necessary. The results of these screenings can indicate whether a patient needs to see a physician for evaluation for diabetes. These screenings are not intended for diabetes management.

Every Wednesday at three Locations

1:00 p.m. to 2:30 p.m.

SUPPORT GROUPS

Support groups for members of the community are held on a regular basis. Unless otherwise stated, all meetings are held at the McCurry Conference Center at the Beebe Health Campus, John J. Williams Highway (Route 24), Rehoboth Beach.

"BEING YOUNG WITH CANCER" SUPPORT GROUP

2nd and 4th Tuesdays of the month

6:00 p.m. to 7:30 p.m.

Beebe Healthcare—Rehoboth Beach
18947 John J. Williams Highway (Route 24)
Rehoboth Beach, Delaware 19971
Must call (302) 645-3087 for an interview.

PARKINSON'S DISEASE SUPPORT GROUP

A Parkinson's Disease (PD) support group has formed to help those with PD, their caregivers, and anyone else who may be afflicted with body movement disorders. For more information, call Dennis Leebel at (302) 644-3465.

CAREGIVERS' SUPPORT GROUP

3rd Thursday of the month

A support group for caregivers of those with Alzheimer's disease and related diseases meets at The Gull House (Bay Mart Shopping Center, opposite Spring Lake, Rehoboth). For further information, please call (302) 226-2160.

MENDED HEARTS SUPPORT GROUP

3rd Tuesday of the month at 2 p.m.

A heart health support group for those who have heart disease, for those who have had heart-related medical procedures, and for those who have had open-heart surgery. For additional information, call either John Marchetti at (302) 227-5251 or Joe Venerus at (302) 827-8125.

STROKE SUPPORT GROUP

Fourth Thursday of the month at 5 p.m.

The group provides support to stroke survivors and their caregivers. It provides education and resources to maximize participation in home and community. For further information, contact Holly Sullivan, Beebe Healthcare Speech/Language Pathologist, at (302) 645-3100, ext. 2436.

BETTER BREATHERS CLUB

Third Wednesday of the month at 1:30 p.m.

A support group for those with pulmonary diseases. Information on pulmonary diseases and treatments is presented by respiratory therapists, physicians, dietitians, and pharmacists. For information, call the Beebe Healthcare Respiratory Department at (302) 645-3245.

TYPE 2 DIABETES SUPPORT GROUP

First Wednesday of the month

4:30 p.m. to 6:00 p.m.

Come join a friendly group to discuss concerns about Type 2 Diabetes. The group meets at the Diabetes Management Longneck Health Center in Millsboro. For more information, call (302) 947-2500.

DIABETES INSULIN PUMP SUPPORT GROUP

Second Wednesday of the month

4:30 p.m. to 6:00 p.m.

If you wear an insulin pump or are interested in learning about wearing a pump, come join us. A support group provides an opportunity to meet others who also live with diabetes and share concerns. Beebe's Certified Diabetes Educators will be available to answer questions. The group meets at the Diabetes Management Longneck Health Center in Millsboro. For further information, please call (302) 947-2500.

CLASSES

CARDIOPULMONARY RESUSCITATION (CPR)

Beebe Healthcare offers CPR, Advanced Cardiac Life Support (ACLS), and Pediatric Advanced Life Support (PALS) classes. For further information and to sign up, please call the Education Department at (302) 645-3248.

DIABETES

The Diabetes Management Department offers educational and management services for people with diabetes (see list of services on page 3). Diabetes educational programs are offered each month for persons newly diagnosed and those who need a refresher course for managing their disease. A diabetes self-management education series is presented at various days and times on a rotating basis. Individual sessions are available for specific needs. Initial appointments for diabetes management services can be made by calling Pre-Arrival Services at (302) 645-3278. For information, call (302) 947-2500.

PRENATAL BREASTFEEDING

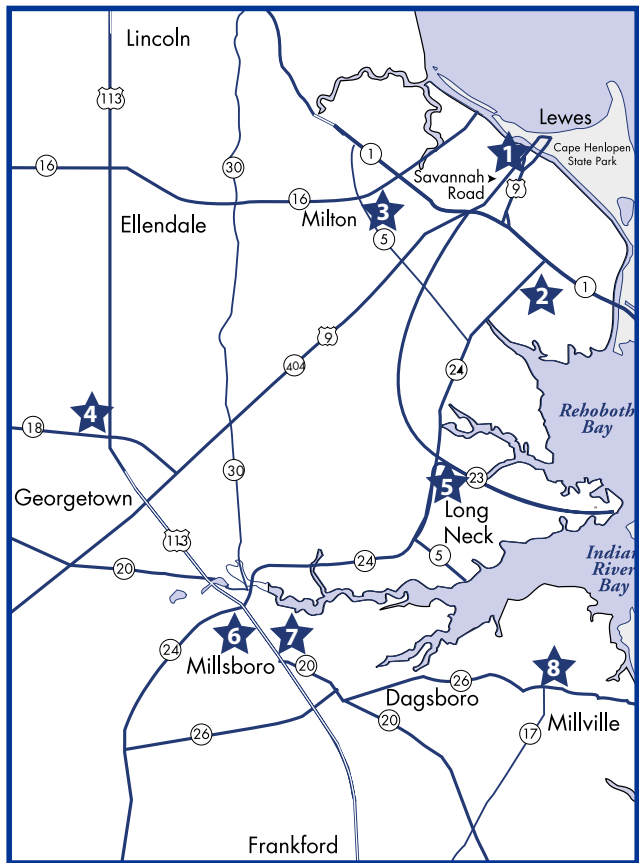

First Wednesday of the month

5:00 p.m. to 6:00 p.m.

Prenatal Breastfeeding class for expecting parents. Participants must register for this free class. Call (302) 645-3726.

This information is subject to change. For the most up-to-date information, please visit our website at www.beebehealthcare.org/calendar.
