

Attend a University Dedicated To Working Adults

Wilmington University partners with **Beebe Healthcare** to enable employees to achieve a quality degree 100% online while working full or part time.

Beebe Healthcare employees benefit from:

- A **25% discount** on tuition for new students enrolling in the RN to BSN program
- A **10% discount** on tuition for all other programs
- A complimentary Transfer Credit Evaluation that maximizes your credit transfer

Reasons to choose WilmU:

Realistic Schedules — WilmU works to accommodate your busy schedule. Classes begin every eight weeks, and our flexible options — including 100% online courses — allow you to learn when and where it's most convenient for you.

Flexible Credit Transfer Process — Transfer up to 90 academic credits toward a bachelor's degree or up to 12 credits toward a master's degree.

RN-Designed Programs — Our programs are built and instructed by nurse leaders who are in step with the changing landscape of health care.

CCNE-Accredited — Our programs feature rigorous, CCNE-accredited curricula taught in a rich learning environment — online or in person.

WilmU Nursing and Health Care programs available:

- Accelerated RN to MSN
- A.S., B.S. & M.S. in Health Sciences
- M.S. in Computer Science
- MSN Family Nurse Practitioner
- MSN Nursing Leadership (Educator, Executive, Legal Nurse Consultant and Public Health Concentrations)
- Doctor of Nursing Practice
- And many more!
