

COVID-19 REFERRAL-BASED TESTING FOR THE COMMUNITY

Patients should contact their primary care provider for screening. A provider order is necessary to be tested.

Community members who do not have access to a primary care provider can call Beebe's COVID-19 Screening Line for screening and assessment. Please have your driver's license and insurance information ready when you call.

302-645-3200

Screening Line hours of operation: daily, 8 a.m.–6 p.m.
