

WHEN

Wednesday, October 7
4 p.m. - 7 p.m.

WHERE

Hudson Fields
30045 Eagle Crest Rd.
Milton, DE 19968

For more information on ways to get involved, visit beebehealthcare.org/BeebeGoesPurple or call 302-645-3337

Join us for this **FREE DRIVE-THRU EVENT** in support of Sussex County Health Coalition's **Delaware Goes Purple Initiative**.

Our **Beebe Goes Purple** event aims to create awareness and reduce the stigma surrounding addiction, as well as provide resources, connection, and support for those in recovery.

The drive-thru event will begin at 4 p.m. with numerous community partners stationed along the 1-mile driving loop. Food trucks will be present. In addition, a Naloxone distribution and resource center will be available during the event to train people how to identify an overdose and what steps to take to administer Naloxone, which can save lives during an opioid overdose. Those trained will immediately receive an opioid rescue kit.

Speaker presentations will begin at 6 p.m. Attendees will park drive-in style and tune into presentations via FM radio.
