

# BEEBE HALLOWEEN STENCIL

- STEP 1:** Print your chosen Beebe pumpkin stencil and trim off the excess paper around the design. If you are painting your design, cut out the black parts of the design.
- STEP 2:** Next, pin or tape the stencil to your pumpkin.
- STEP 3:** Using a push pin, pumpkin poker, or marker, make small dots to trace around the black areas of your design—these will be the areas you cut out or paint in.
- STEP 4:** Once you've traced your design, remove your stencil and get to carving or painting!
