

*The Next Generation of*  
**WELLBEING**

**THE BEST CHOICE  
FOR YOUR BABY**

## WHY CHOOSE BEEBE BREASTFEEDING SUPPORT?

As a Certified Baby-Friendly™ Hospital, Beebe Healthcare is the right choice for your prenatal care, delivery, and post-delivery care. With bedside breastfeeding support and Lactation Consultants on staff, the Beebe team is here to help you and your child experience all of the benefits of breastfeeding.

### HEALTH BENEFITS FOR BABY

Lowers the risk of:

- + Sudden Infant Death Syndrome (SIDS)
- + Viruses/infections
- + Childhood obesity
- + Asthma
- + Allergies
- + Ear infections
- + Diabetes
- + Childhood leukemia

### HEALTH BENEFITS FOR MOM

- + Promotes bonding
- + Less postpartum bleeding
- + Quicker weight loss
- + Decreases risk for breast and ovarian cancer
- + Decreases risk for postpartum depression

### EDUCATION CLASSES & SUPPORT GROUP

- + Free Prenatal Breastfeeding and Childbirth Education classes. Call 302-645-3726 for more information or to register.
- + Breastfeeding Clinic and Monthly Support Group
- + Beebe's Lactation Consultant available for out-patient appointments, many of which are covered by insurance or Medicaid.
