

# Cardiac, Cardiothoracic, & Vascular Physicians

## Innovative Care for the Community

Beebe's advanced team of cardiologists, electrophysiologists, cardiothoracic and vascular surgeons deliver innovative care in Sussex County.

Beebe's Center for Robotic Surgery offers the latest in surgical treatment with the da Vinci Xi Surgical System. Learn more: [www.beebehealthcare.org/robotic-surgery](http://www.beebehealthcare.org/robotic-surgery).

## CARDIOTHORACIC SURGEONS

### BEEBE CARDIOTHORACIC SURGERY

431 Savannah Road • Lewes  
Phone: (302) 644-4282 • Fax: (302) 644-8734

#### **M. L. Ray Kuretu, MD**

Board Certified in Thoracic Surgery; Fellowship Trained in Thoracic and Cardiovascular Surgery

Dr. M. L. Ray Kuretu received his medical degree from Meharry Medical College in Nashville, Tenn. He completed his Fellowship in Thoracic and Cardiovascular Surgery at Shadyside Hospital in Pittsburgh, Pa., at Newark Beth Israel Medical Center in N.J., and completed a Special Fellowship in Cardiothoracic Surgery at Hahnemann University Hospital in Philadelphia. He served as both an attending surgeon and assistant professor of Cardiothoracic Surgery at Hahnemann for 28 years. He has performed more than 8,000 surgeries in his career, and as Director of Cardiothoracic Fellowships, he has trained more than 400 surgeons. He was formerly the Medical Director of Cardiothoracic Surgery at Mercy Fitzgerald Hospital in Darby, Pa., and was a Visiting Scholar in Cardiothoracic Surgery at Brooke General and Guys Hospital in London.

#### **Edward Stephenson, MD**

Board Certified in Cardiothoracic Surgery

Dr. Edward Stephenson received his medical degree from University at Buffalo School of Medicine and Biomedical Sciences. He has been practicing for more than 20 years. Most recently, he worked at Penn State Milton S. Hershey Medical Center in Pa.

#### **Kurt E. Wehberg, MD**

Board Certified in Cardiothoracic Surgery; Fellowship Trained in Cardiothoracic Surgery; Chief of Robotics

Dr. Kurt E. Wehberg received his medical degree from Eastern Virginia Medical School in Norfolk, Va., and completed his residency in General Surgery at University of Maryland Medical System. He earned a Fellowship in Cardiothoracic Surgery from University of Maryland Medical System. Dr. Wehberg is leading Beebe's Center for Robotic Surgery. Previous to Beebe, Dr. Wehberg served as Medical Director of the Thoracic Oncology program, Chief of Cardiothoracic Surgery, and Director of Robotic Cardiothoracic Surgery at Peninsula Regional Medical Center in Salisbury, Md. He was a founder of both the Thoracic Oncology and Robotic Cardiothoracic Surgery programs and led all three programs to national recognition.

## CARDIOLOGISTS

### CARDIOVASCULAR CONSULTANTS OF SOUTHERN DELAWARE

16704 Kings Highway • Lewes | 35141 Atlantic Ave., Unit 3 • Millville  
Phone: (302) 645-1233 • Fax: (302) 645-1228

#### **Barry S. Denenberg, MD, FACC**

Board Certified in Cardiology, Internal Medicine; Fellowship Trained in Cardiology

Dr. Barry S. Denenberg received his medical degree from Temple University School of Medicine. He received a B.S. in Biology from Albright College. His internship, residency, and Fellowship were at Temple University Hospital. He is a Fellow of the American College of Cardiology, a member of the Federation of Clinical Research, and a Fellow at the American College of Physicians. His sub-specialties are non-invasive cardiology and nuclear cardiology.

#### **Ajith Kumar, MD**

Board Certified in Internal Medicine, Cardiovascular Medicine, Interventional Cardiology

Dr. Ajith Kumar, is board certified in internal medicine and interventional cardiology. He received his medical degree from Washington University School of Medicine in St. Louis, Missouri, where he also completed an internship and assistant residency in internal medicine, and served as chief resident. He then completed fellowship training in molecular cardiology and in cardiovascular sciences.

#### **Robert Myers, MD**

Board Certified in Echocardiography, Cardiovascular Disease, Interventional Cardiology; Fellowship Trained in Cardiology, Interventional Cardiology

Dr. Robert Myers received his medical degree from Jefferson Medical College in Philadelphia. He completed his residency in Internal Medicine and Fellowships in Cardiovascular Disease and Interventional Cardiology at Christiana Hospital. He is trained in nuclear cardiology and peripheral vascular disease. He specializes in cardiac catheterization and coronary intervention, as well as peripheral angiography and intervention.

*Dr. Myers only sees patients at the Lewes location.*

#### **R. Alberto Rosa, MD**

Board Certified in Internal Medicine, Cardiology, Nuclear Medicine; Fellowship Trained in Cardiology

Dr. R. Alberto Rosa received his medical degree from the University of Santo Domingo in his native Dominican Republic. He completed his residency in Internal Medicine, served as Chief Medical Resident, and completed a Fellowship in Cardiology at the University of Pennsylvania Graduate Hospital in Philadelphia. He is trained in non-invasive cardiology, nuclear transthoracic echocardiograms, as well as invasive diagnostic procedures and pacemaker implantations. He is also a Certified Aviation Medical Examiner.

#### **Kenneth Sunnergren, MD, PhD, FACC**

Board Certified in Internal Medicine, Cardiovascular Disease; Fellowship Trained in Cardiology and Molecular Cardiology

Dr. Kenneth Sunnergren received his medical degree and Ph.D. in Physiology from Thomas Jefferson University in Philadelphia. He completed his Internal Medicine residency at The Medical College of Virginia and his Cardiology Fellowship and Molecular Cardiology post-Doctoral Fellowship at The University of Texas, South Western Medical Center, Dallas. He performs diagnostic cardiac catheterizations, pacemaker and device implants, transthoracic and transesophageal echocardiograms, stress testing, and interpretations of vascular tests.

*Additional physicians listed on the back.*

## CARDIOVASCULAR INTERVENTIONAL ASSOCIATES

16392 Coastal Highway • Lewes, DE 19958  
Phone: (302) 703-9743 • Fax: (855) 888-0359

### Mouhanad Freih, MD

Board Certified in Cardiology, Interventional Cardiology; Fellowship Trained in Interventional Cardiology

Dr. Mouhanad Freih received his medical degree from the University of Damascus and completed his Fellowship training in Interventional Cardiology. He specializes in cardiac catheterization, coronary angiography, cardiac imaging, cardiac MRI, coronary angioplasty, atherectomy, and stenting.

## CLINIC BY THE SEA, LLC

16295 Willow Creek Road • Lewes  
Phone: (302) 644-0999 • Fax: (302) 644-3099

26744 John J. Williams Highway, Suite 5 • Millsboro  
Phone: (302) 231-2089 • Fax: (302) 947-0200

### Georges Dahr, MD

Board Certified in Cardiology, Internal Medicine; Fellowship Trained in Cardiology

Dr. Georges Dahr received his medical degree from the American University of Beirut and completed his residency at New York University School of Medicine. He completed Fellowship training in Cardiology at the University of Louisville School of Medicine.

### Mayuri Patel, MD

Board Certified in Internal Medicine, Cardiovascular Disease, Interventional Cardiology; Fellowship Trained in Cardiovascular Disease

Dr. Mayuri Patel received her medical degree from B.J. Medical College Ahmedabad. She completed a residency in internal medicine and a fellowship in cardiovascular disease at Seton Hall University School of Health and Medical Sciences. She has been in practice for more than 20 years.

### Michael Sabadish, MD

Board Certified in Cardiology, Electrophysiology; Fellowship Trained in Cardiovascular Disease, Clinical Cardiac Electrophysiology

Michael Sabadish, MD, received his medical degree from Drexel University College of Medicine in Philadelphia. He completed his residency in internal medicine as well as fellowship training in cardiovascular disease and clinical cardiac electrophysiology also at Drexel University—Hahnemann University Hospital. He sees patients with Clinic by the Sea.

## DELAWARE CARDIOVASCULAR ASSOCIATES

34453 King Street Row • Lewes  
Phone: (302) 644-7676 • Fax: (302) 644-4876

92A Atlantic Avenue • Ocean View  
Phone: (302) 537-7676 • Fax: (302) 537-7652

### Jude Ediae, MD

Board Certified in Internal Medicine, Nuclear Medicine, Cardiovascular Disease; Board Eligible in Interventional Cardiology; Fellowship Trained in Cardiology, Interventional Cardiology

Jude Ediae, MD, received his medical degree from College of Medicine, University of Benin, Nigeria. He completed his residency at Abington Memorial Hospital in Pennsylvania. He completed both a fellowship in cardiology and a fellowship in interventional cardiology at Drexel/Hahnemann in Philadelphia. He sees patients with Delaware Cardiovascular Associates in Lewes and Ocean View.

### Rajinder Prasad, MD, FACC

Board Certified in Internal Medicine, Cardiovascular Disease, Nuclear Cardiology

Dr. Rajinder Prasad received his medical degree from Indira Gandhi Medical College and Associated Hospitals in India. He completed his residency and Fellowship training at Howard University Hospital in Washington, D.C. He completed post-graduate work in cardiology at Johns Hopkins University Hospital in Baltimore. He specializes in cardiac catheterization, nuclear cardiology, stress echocardiography, transesophageal echocardiography, and pacemaker insertion.

### Ehtasham Qureshi, MD, FACC

Board Certified in Cardiology, Interventional Cardiology

Dr. Ehtasham Qureshi received his medical degree from St. Luke's Roosevelt Hospital/Columbia University in New York City and completed cardiology training at Lankenau Hospital/Thomas Jefferson University at Wynnewood, Pa. He specializes in cardiology and interventional cardiology.

## VASCULAR SURGEONS

### BEEBE VASCULAR SERVICES

33664 Bayview Medical Drive, Unit 2 • Lewes | 88 Atlantic Avenue • Ocean View  
Phone: (302) 644-4954 • Fax: (302) 645-5481

Surgeons also see patients in Georgetown, Millsboro, and Milford.

### Kevin Caldwell, MD

Dr. Kevin Caldwell received his medical degree from University of Maryland School of Medicine in Baltimore. He completed his general surgery residency at University of Maryland Medical Center and his integrated vascular surgery residency at Southern Illinois University. He previously was an Associate Professor and Anatomy Lab Instructor with University of Maryland School of Medicine.

### Carlos Neves, MD

Board Certified in Vascular Surgery; Fellowship Trained in Vascular and Endovascular Surgery

Dr. Carlos Neves received his medical degree from Rutgers University/Robert Wood Johnson Medical School in New Jersey. He completed his surgical internship and residency at Temple University Hospital. He specializes in both open and endovascular (minimally invasive) repair of aneurysm disease as well as carotid artery surgery for stroke prevention. He offers percutaneous or incision-less repair of aortic aneurysms. Other areas of interest include: minimally invasive procedure with balloon angioplasty, atherectomy and stenting for peripheral arterial disease, complex lower extremity bypass procedures, carotid artery stenting, hemodialysis access, placement and retrieval of IVC filters, and treatment of varicose veins and all types of venous disorders.

### Sean Ryan, MD

Board Certified in Vascular Surgery; Fellowship Trained in Vascular and Endovascular Surgery

Dr. Sean Ryan received his medical degree at Rutgers University/Robert Wood Johnson System. He completed his surgical residency at Christiana Care and his Fellowship training in vascular surgery at Thomas Jefferson University. He spent an extra year of training during surgical residency in a laboratory to work on tissue regeneration and teaching anatomy at the University of Delaware. He offers incision-less repair of aortic aneurysms. Other areas of interest include: minimally invasive balloon angioplasty, atherectomy, and stenting, lower extremity bypass procedures, carotid artery surgery and stenting, permanent hemodialysis access for end-stage renal disease, placement and retrieval of IVC filters, and evaluation and surgical management of thoracic outlet syndrome (TOS).
