About Beebe

Beebe Healthcare is a not-for-profit community healthcare system with a charitable mission to encourage healthy living, prevent illness, and restore optimal health for the people who live in, work in, and visit the communities we serve. Beebe Healthcare has three campuses: the Margaret H. Rollins Lewes Campus, which houses the medical center; the Rehoboth Beach Health Campus; and the South Coastal Health Campus in Frankford. Beebe Healthcare offers primary care as well as specialized services in the areas of cardiac and vascular, general surgery, robotic surgery, oncology services, women's health, and orthopaedics. Beebe also offers walk-in care, lab, imaging, and physical rehabilitation services at several locations throughout Sussex County, in addition to a Home Care program and an adult activities center.

Striving for Excellence

Beebe has received four Healthgrades® Five-Star Ratings in Clinical Areas, two Excellence Awards, a recent designation as a LGBTQ Health Care Equality Leader, and The Joint Commission's Gold Seal of Approval.

away from home.

Our Commitment to Your Good Health

With over a century of commitment to Sussex County, Beebe Healthcare provides the highest quality healthcare available to the people and families who live, work, and visit Sussex County. Over the past 100 years, we have grown from a small community hospital to a progressive integrated healthcare system focused on bringing clinically sophisticated and innovative programs to our area and helping people in our community lead and maintain healthy lifestyles.

Beebe is proud that our Medical Staff continues to grow because of the excellent clinical programs and opportunities, as well as the reason many of our new residents move here and visitors return each year: Sussex County is a wonderful place.

Whether you need a fast visit to get better quickly, at one of our walk-in locations, have an emergency illness or injury that just can't wait, or any other health challenge life throws at you, Beebe Healthcare has the care you need, the expertise you want, and multiple convenient locations. We hope the information provided here serves as a helpful orientation and quick reference to Beebe's services.

Welcome to Beebe Healthcare – neighbors caring for neighbors, families caring for families. Together, we're Creating the Next Generation of Care for the people visiting our community. Please let us know if we can assist you in any way. We look forward to caring for you should you need our services during your stay at the beach.

David A. Tam, MD, MBA, FACHE, President & CEO
