WE HAVE A NEW, EXCITING PATIENT CARE ASSISTANT PROGRAM FOR CANDIDATES INTERESTED IN THE FIELD OF HEALTHCARE.

HS Diploma/GED equivalent is Required.

As a Patient Care Assistant at Beebe, you will participate in a 5-week Training Program, which provides training in basic clinical and computer skills for direct patient care in either the inpatient or outpatient setting. For positions with our Medical Group, this program will jump start your journey to being a medical assistant and certified medical assistant.

Tuition Reimbursement and Benefits for Full time and Part Time employees.

GENERAL TECHNICAL SKILLS

Under the supervision and direction of a Registered Nurse, the patient care assistant performs various clerical duties and performs duties in the care and treatment of patients in accordance with established methods and procedure.

Inpatient
