Big City Medicine. Small Town Charm.

Cardiac Surgeon opportunity at the Beach in Delaware

Join an exceptionally talented and experienced cardiac surgery team at Beebe Healthcare. This clinical program is led by the Chief and Medical Director of Cardiothoracic Surgery, an established surgeon who has helped train and mentor over 400 fellows in a well known academic center before coming to Beebe.

Beebe has growing volumes in the Cardiovascular service line, and a \$180,000,000 system-wide expansion is underway. The area's five-year population growth rate is projected at 9.2%.

Surrounded by the Atlantic Ocean in family-friendly coastal Southern Delaware, Beebe is a progressive, not-for-profit community health system with a 210-bed hospital and numerous satellite facilities. The system sees 48,000+ Emergency visits and has 400+ providers on the medical staff.

Beebe Healthcare is the first hospital in Delaware to use the Cardiohelp system, and is the first downstate hospital to offer the Impella heart pump for patient support.

This is an opportunity for a progressive-minded, energetic cardiac surgeon, who is interested in a long-term relationship and willing to be a part of a dedicated and established team.

Beebe Healthcare's cardiac surgeons and PAs are part of an innovative Cardiac Services team including vascular surgeons, interventional and diagnostic cardiologists, and electrophysiologists, and are backed up by specially trained support staff.

- Cardiac Surgeon, BE/BC by the American Board of Thoracic Surgery
- Exceptional clinical skills, a strong work ethic, and excellent bedside manner
- Strong communication and team building skills
- Employed with Beebe Medical Group, a multi-specialty network
- Competitive compensation, generous benefits, moving and CME allowances.
- Share call with Chief/Medical Director of Cardiothoracic Surgery; PAs take first call

Southern Delaware location:
