M. L. Ray Kuretu, MD

Board Certified in Thoracic Surgery; Co-Chief & Medical Director, Cardiac Surgery

Dr. M. L. Ray Kuretu received his medical degree from Meharry Medical College in Nashville, Tenn. He completed his Fellowship in Thoracic and Cardiovascular Surgery at Shadyside Hospital in Pittsburgh, Pa., at Newark Beth Israel Medical Center in N.J., and completed a Special Fellowship in Cardiothoracic Surgery at Hahnemann University Hospital in Philadelphia. He served as both an attending surgeon and assistant professor of Cardiothoracic Surgery at Hahnemann for 28 years. He has performed more than 8,000 surgeries in his career, and as Director of Cardiothoracic Fellowships, he has trained more than 400 surgeons. He was formerly the Medical Director of Cardiothoracic Surgery at Mercy Fitzgerald Hospital in Darby, Pa., and was a Visiting Scholar in Cardiothoracic Surgery at Brooke General and Guys Hospital in London.

Mudiwa Muniyikwa, MD

Board Certified in General Surgery

Dr. Mudiwa Muniyikwa received his medical degree from University of Zimbabwe. He completed his residency at University of Tennessee Medical Center and his Fellowship at Rush University Medical Center in Chicago. He works with both Beebe General Surgery—Cape and Beebe Cardiothoracic Surgery where he sees thoracic patients in the Pulmonary Nodule Clinic and performs robotically assisted and minimally invasive thoracic surgery.

Edward Stephenson, MD

Board Certified in Cardiothoracic Surgery

Dr. Edward Stephenson received his medical degree from University at Buffalo School of Medicine and Biomedical Sciences. He has been practicing for more than 20 years. Most recently, he worked at Penn State Milton S. Hershey Medical Center in Pa.

Kurt E. Wehberg, MD

Board Certified in Cardiothoracic Surgery; Fellowship Trained in Cardiothoracic Surgery; Co-Chief of Cardiothoracic Surgery; Chief of Robotics; VP of Clinical Innovation

Dr. Kurt E. Wehberg received his medical degree from Eastern Virginia Medical School in Norfolk, Va., and completed his residency in General Surgery at University of Maryland Medical System. He earned a Fellowship in Cardiothoracic Surgery from University of Maryland Medical System. Dr. Wehberg is leading Beebe's Center for Robotic Surgery. Previous to Beebe, Dr. Wehberg served as Medical Director of the Thoracic Oncology program, Chief of Cardiothoracic Surgery, and Director of Robotic Cardiothoracic Surgery at Peninsula Regional Medical Center in Salisbury, Md. He was a founder of both the Thoracic Oncology and Robotic Cardiothoracic Surgery programs and led all three programs to national recognition.

CARDIOLOGISTS

CARDIOVASCULAR CONSULTANTS OF SOUTHERN DELAWARE

16704 Kings Highway • Lewes | 35141 Atlantic Ave., Unit 3 • Millville
Phone: (302) 645-1233 • Fax: (302) 645-1228

Barry S. Denenberg, MD, FACC

Board Certified in Cardiology, Internal Medicine; Fellowship Trained in Cardiology

Dr. Barry S. Denenberg received his medical degree from Temple University School of Medicine. He received a B.S. in Biology from Albright College. His internship, residency, and Fellowship were at Temple University Hospital. He is a Fellow of the American College of Cardiology, a member of the Federation of Clinical Research, and a Fellow at the American College of Physicians. His sub-specialties are non-invasive cardiology and nuclear cardiology.

Robert Myers, MD

Board Certified in Echocardiography, Cardiovascular Disease, Interventional Cardiology; Fellowship Trained in Cardiology, Interventional Cardiology

Dr. Robert Myers received his medical degree from Jefferson Medical College in Philadelphia. He completed his residency in Internal Medicine and Fellowships in Cardiovascular Disease and Interventional Cardiology at Christiana Hospital. He is trained in nuclear cardiology and peripheral vascular disease. He specializes in cardiac catheterization and coronary intervention, as well as peripheral angiography and intervention.

Dr. Myers only sees patients at the Lewes location.

R. Alberto Rosa, MD

Board Certified in Internal Medicine, Cardiology, Nuclear Medicine; Fellowship Trained in Cardiology

Dr. R. Alberto Rosa received his medical degree from the University of Santo Domingo in his native Dominican Republic. He completed his residency in Internal Medicine, served as Chief Medical Resident, and completed a Fellowship in Cardiology at the University of Pennsylvania Graduate Hospital in Philadelphia. He is trained in non-invasive cardiology, nuclear transesophageal echocardiograms, as well as invasive diagnostic procedures and pacemaker implantations. He is also a Certified Aviation Medical Examiner.

Kenneth Sunnergren, MD, PhD, FACC

Board Certified in Internal Medicine, Cardiovascular Disease

Dr. Kenneth Sunnergren received his medical degree and Ph.D. in Physiology from Thomas Jefferson University in Philadelphia. He completed his Internal Medicine residency at The Medical College of Virginia and his Cardiology Fellowship and Molecular Cardiology post-Doctoral Fellowship at The University of Texas, South Western Medical Center, Dallas. He performs diagnostic cardiac catheterizations, pacemaker and device implants, transthoracic and transesophageal echocardiograms, stress testing, and interpretations of vascular tests.

Additional physicians listed on the back.

Phone: (302) 644-4954 • Fax: (302) 645-5481

Surgeons also see patients in Georgetown, Millsboro, and Milford.

Kevin Caldwell, MD

Dr. Kevin Caldwell received his medical degree from University of Maryland School of Medicine in Baltimore. He completed his general surgery residency at University of Maryland Medical Center and his integrated vascular surgery residency at Southern Illinois University. He previously was an Associate Professor and Anatomy Lab Instructor with University of Maryland School of Medicine.

Carlos Neves, MD

Board Certified in Vascular Surgery; Fellowship Trained in Vascular and Endovascular Surgery

Dr. Carlos Neves received his medical degree from Rutgers University/Robert Wood Johnson Medical School in New Jersey. He completed his surgical internship and residency at Temple University Hospital. He specializes in both open and endovascular (minimally invasive) repair of aneurysm disease as well as carotid artery surgery for stroke prevention. He offers percutaneous or incision-less repair of aortic aneurysms. Other areas of interest include: minimally invasive procedure with balloon angioplasty, atherectomy and stenting for peripheral arterial disease, complex lower extremity bypass procedures, carotid artery stenting, hemodialysis access, placement and retrieval of IVC filters, and treatment of varicose veins and all types of venous disorders.

Sean Ryan, MD

Board Certified in Vascular Surgery; Fellowship Trained in Vascular and Endovascular Surgery

Dr. Sean Ryan received his medical degree at Rutgers University/Robert Wood Johnson System. He completed his surgical residency at Christiana Care and his Fellowship training in vascular surgery at Thomas Jefferson University. He spent an extra year of training during surgical residency in a laboratory to work on tissue regeneration and teaching anatomy at the University of Delaware. He offers incision-less repair of aortic aneurysms. Other areas of interest include: minimally invasive balloon angioplasty, atherectomy, and stenting, lower extremity bypass procedures, carotid artery surgery and stenting, permanent hemodialysis access for end-stage renal disease, placement and retrieval of IVC filters, and evaluation and surgical management of thoracic outlet syndrome (TOS).
